

Supplies for the 2021-2022 School Year

Suggested Upgrades are just suggestions for high schoolers, but all students need their own mouthpieces. If you would like to purchase your own, you can at Phillips Music or online. If you are borrowing an instrument from the school (Flutes, Clarinets, Alto Saxophones, Trumpets, and Trombones need to be personally owned) you still need to purchase your own mouthpiece. Almost everything can be purchased at Phillips Music. An additional \$40 (\$30 no T-Shirt) will be added to each student to pay for marching gloves, current updated band T-Shirt, and uniform drycleaning and upkeep.

All Sections will need:
